

October 25-27, 2024 | Tianjin, China

2024 13th International Conference on Computing and Pattern Recognition (ICCP R 2024), sponsored by Tian-gong University and endorsed by International Association of Pattern Recognition (IAP R) is going to be held in Tianjin, China during October 25-27, 2024. The main objective is to create an effective platform for researchers and technical experts to share recent ideas, innovations and problem-solving techniques in the vast areas of Computing and Pattern Recognition. It will be a great opportunity for both research and industrial communities to meet, discuss and share their research outcomes. The conference papers of ICCP R have published the conference proceedings by ACM, indexed by EI Compendex and Sopus since 2018.

### Publication and Indexing

1. Conference Proceedings by ACM (ISBN: 979-8-4007-1748-2), archived in ACM Digital Library, indexed by **Ei Compendex** and **Scopus**, reviewed by CPCI.
2. Journal of Advances in Information Technology (ISSN: 1798-2340; CiteScore: 2.4): indexed by **ESCI**, **Scopus**, Google Scholar, CNKI, etc.
3. International Journal of Machine Learning (IJML) (E-ISSN: 2972-368X), which will be indexed by **Inspec (IET)**, Google Scholar, ProQuest, CNKI.

### Topics (include but not limited to)

- |          |  |
|----------|--|
| Track 1  | Computer Vision and Image Processing: Image segmentation and annotation, Object detection and recognition                                    |
| Track 2  | Pattern Recognition and Data Mining: Pattern classification and clustering, Feature selection and dimensionality reduction                   |
| Track 3  | Machine Learning and Deep Learning: Machine learning algorithms and methods, Deep learning models and architectures                          |
| Track 4  | Natural Language Processing and Text Analysis: Language models and semantic representation, Machine translation and cross-lingual processing |
| Track 5  | Human-Computer Interaction and Intelligent Systems: Multimodal interaction and affective computing, Virtual reality and augmented reality    |
| Track 6  | Data Analysis and Big Data: Data preprocessing and cleansing, Large-scale data analysis and processing                                       |
| Track 7  | Face Recognition and Biometrics: Face detection and recognition, Biometric identification and authentication                                 |
| Track 8  | Time Series Analysis and Forecasting: Time series modeling and analysis, Time series forecasting and trend analysis                          |
| Track 9  | Reinforcement Learning and Adaptive Control: Model-based reinforcement learning, Model-free reinforcement learning                           |
| Track 10 | Media Analysis and Content Understanding: Video content analysis and understanding, Audio signal processing and music analysis               |

For more information please visit: <https://iccpr.org/cfp.html>

### Call for Special Session

Special Sessions proposals submission deadline: **June 30, 2024**  
Contact email: [iccpr@cbees.net](mailto:iccpr@cbees.net)  
For more information please visit: <http://iccpr.org/special.html>

### Important Dates

Submission Deadline  
Before May 30, 2024

Notification Date  
June 20, 2024

Registration Deadline  
Before July 10, 2024

### Award

1. Best Paper Award
2. Best Oral Presentation Award
3. Best Poster Presentation Award

### Submission Methods

Submission Methods: <http://confsys-.icnf.org/submit/iccpr2024>  
E-mail: [iccpr@cbees.net](mailto:iccpr@cbees.net)

### Committee

#### Advisory Chair

Prof. David Zhang (FIEEE&FIAP R), China

#### General Chairs

Prof. Umapada Pal (FIAP R&FAAIA), India  
Prof. Zhitao Xiao, China

#### General Co-Chairs

Prof. Qiang Wu, China  
Prof. Xiaojun Wu (FIAP R&FAAIA), China

#### Program Committee Chairs

Prof. Yong Yang, China  
Prof. João Paulo Papa, Brazil  
Prof. Kenji Suzuki, Japan  
Prof. Mounim A. El Yacoubi, France

#### Program Committee Co-Chairs

Prof. Shengjin Wang China  
Prof. Sen Jia, China

#### Publication Chair

Prof. Xianbin Wen, China

#### Publicity Chairs

Prof. Chaoyang Chen, USA  
Prof. Lin Zhang, China  
Assoc. Prof. Yanbei Liu, China  
Prof. Yatong Zhou, China

#### Oral Chair

Prof. Yanwei Pang, China

#### Poster Chair

Prof. Zhong Ji, China

#### Special Session Chair

Prof. Banghua Yang, China

#### Award Chair

Prof. Jucheng Yang, China

#### Contact Chair

Prof. Fang Zhang, China

#### Local Organizing Chair

Assoc. Prof. Guangxu Li, China

#### Local Organizing Committee

Prof. Lei Geng, China  
Assoc. Prof. Yingchun Guo, China

#### Regional Chair of Shanghai

Prof. Qingli Li, China
